

GARDENS OF THE LABYRINTH'S WORLDS

THE LABYRINTH IS COMPOSED OF 3 PRINCIPAL WORLDS - LOVE, BEAUTY, FERTILITY; THE PANTHER; THE MAGICIAN & THE ALCHEMIST - AS WELL AS A FOURTH WORLD, THE "PURGATORY" (INVERSED OF UPSIDE-DOWN WORLD).

EACH WORLD HAS A — SPATIAL AND AESTHETIC — VARIETY OF GARDENS THAT CAN BE WANDERED THROUGH BY PLAYERS. THE LATTER ARE REQUIRED TO SOLVE A SERIES OF ENIGMAS IN ORDER TO MOVE FURTHER IN THEIR EXPLORATION, AND ULTIMATELY TO FIND THE DOOR TO THE NEXT WORLD.

GLOBAL VIEW OF THE 1ST WORLD

THE GARDENS OF LOVE, BEAUTY & FERTILITY

& CONCEPT OF ITS 3 GARDENS

The first world, that of love, beauty and fecundity, is composed of three sub-worlds, also entitled "gardens"; for the metaphor that refers to a cultivated world, or a cosmos within the cosmos, earthly in the image of the divine.

- The first garden, that of **love**, is composed of five stages, three of which are visible, two more enigmatic and accessible if one solves an enigma.

- The second garden, that of **beauty**, is composed of three stages. Two in the form of platforms, respectively dedicated to the beauties crafted by humankind, and the cosmic beauties crafted by nature. A third stage, the Chinese pagoda of beauty, is dedicated to the five degrees of beauty taught to Socrates by the priestess Diotime in Plato's Symposium.

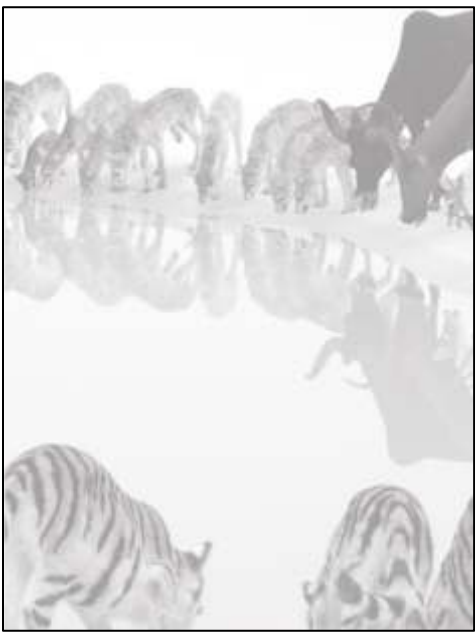

- Finally, the third and last garden, that of **fertility**, is an island; a metaphor for fertility and femininity born of the primordial waters in various cosmogonic myths. On it is a Garden of Eden, itself hosting a water source in its midst, similar to a Mexican Cenote, in which a grand orchestra of animals of all species drink together in peace and freedom. In this watering place that gathers beings, as if suspended in space-time, we can enter to access the hidden crypt of fertility.

LOVE THE SUSPENDED GARDEN

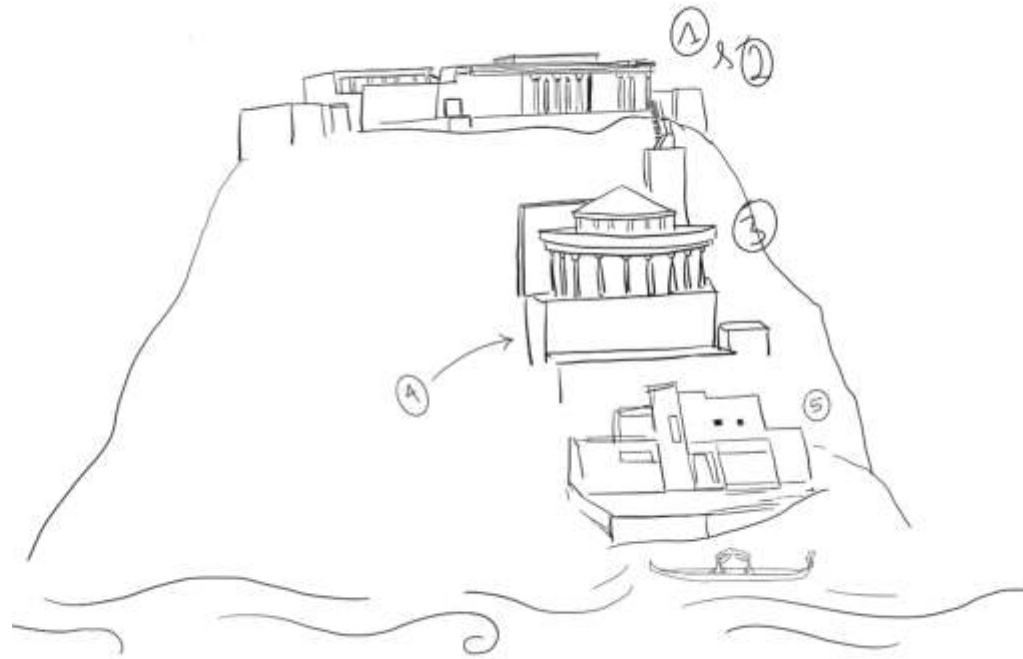

THE HANGING GARDENS OF BABYLON WERE ONE OF THE 7 WONDERS OF THE ANCIENT WORLD LISTED BY HELLENIC CULTURE. THEY WERE DESCRIBED AS A REMARKABLE FEAT OF ENGINEERING WITH AN ASCENDING SERIES OF TIERED GARDENS CONTAINING A WIDE VARIETY OF TREES, SHRUBS, AND VINES, RESEMBLING A LARGE GREEN MOUNTAIN CONSTRUCTED OF MUD BRICKS. IT WAS SAID TO HAVE BEEN BUILT IN THE ANCIENT CITY OF BABYLON, NEAR PRESENT-DAY HILLAH, BABIL PROVINCE, IN IRAQ.

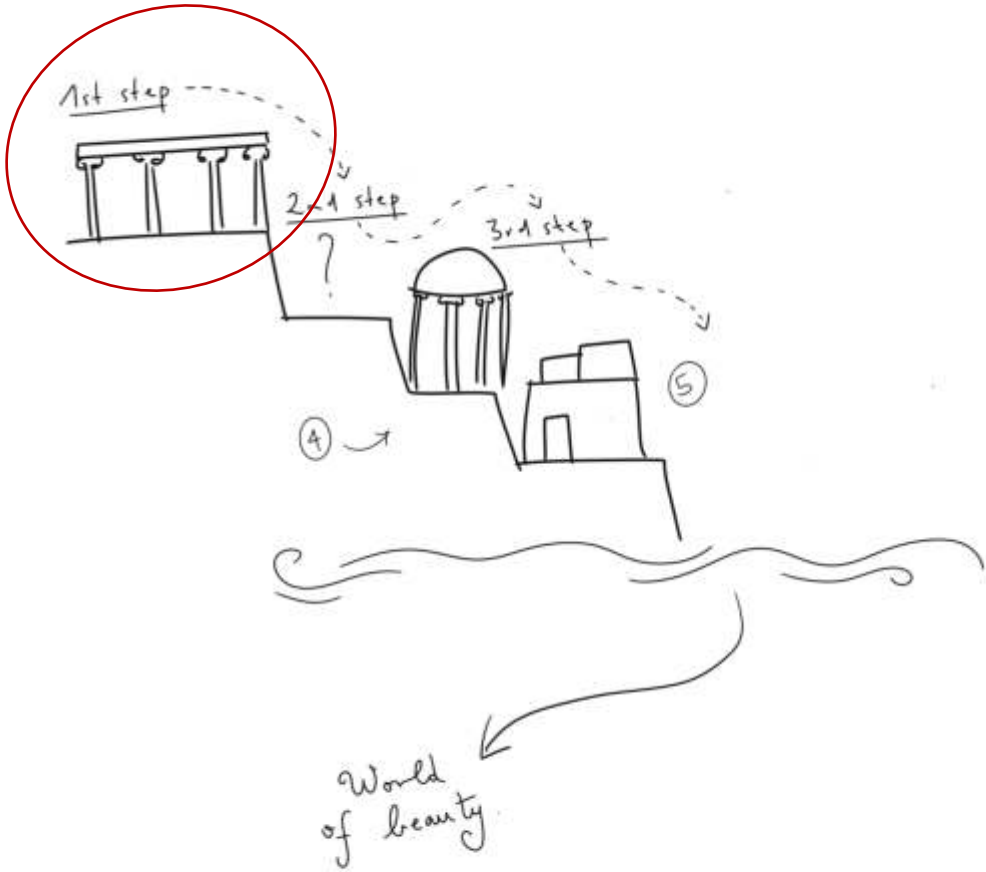

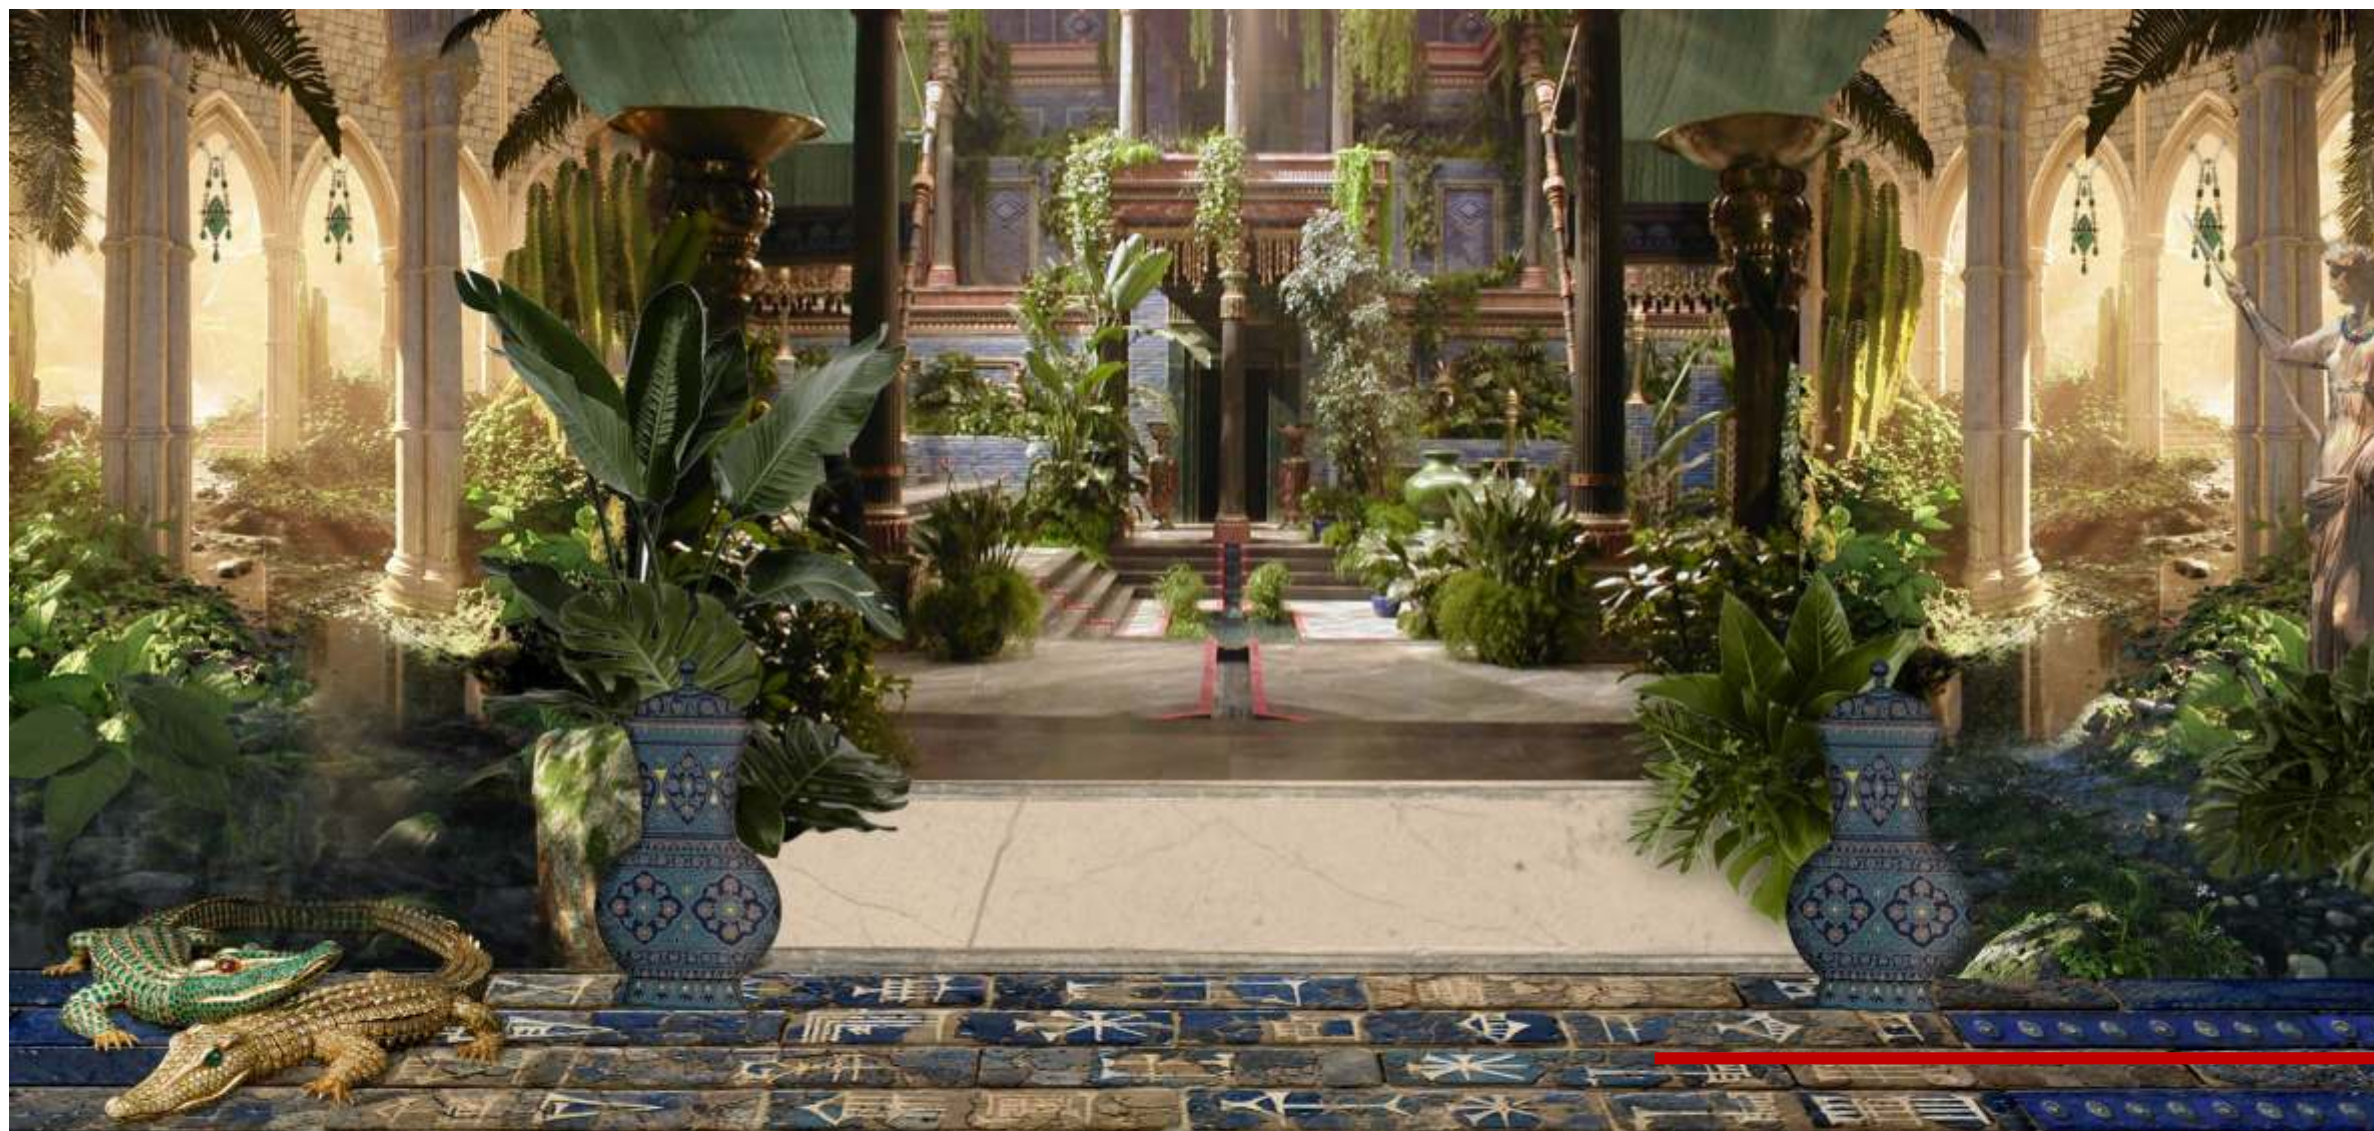

MASADA — FROM THE HEBREW מְצָדָה, METSADA, "FORTRESS" — IS A SITE CONSISTING OF SEVERAL ANCIENT PALACES AND FORTIFICATIONS PERCHED ON A LIMESTONE BASE, LOCATED IN ISRAEL ON TOP OF AN ISOLATED MOUNTAIN ON THE EASTERN SLOPE OF THE JUDEAN DESERT.

3rd STEP

of the suspended garden

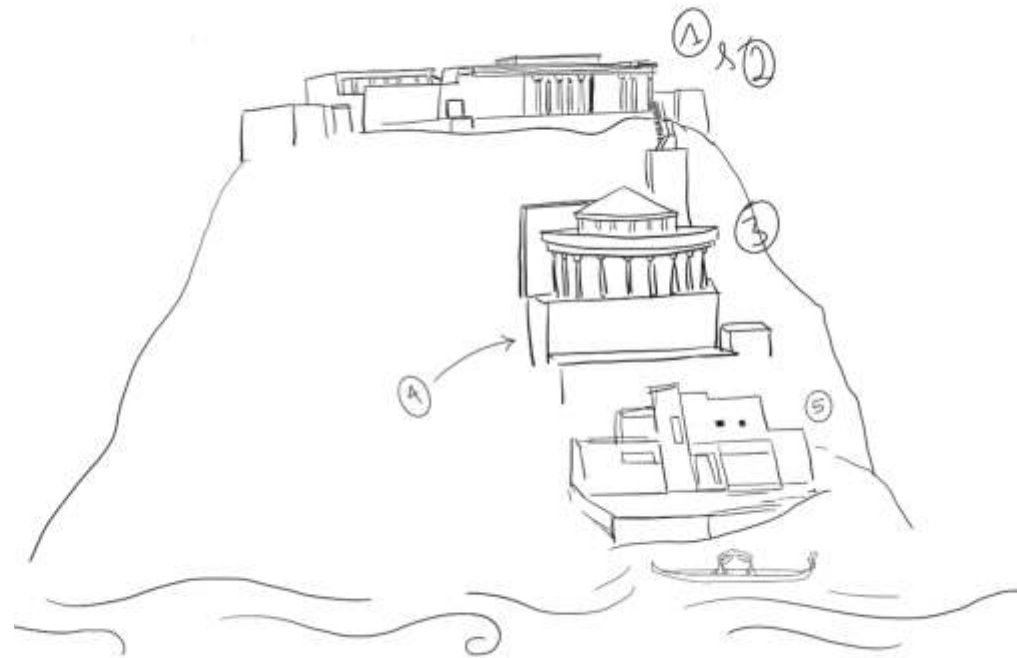

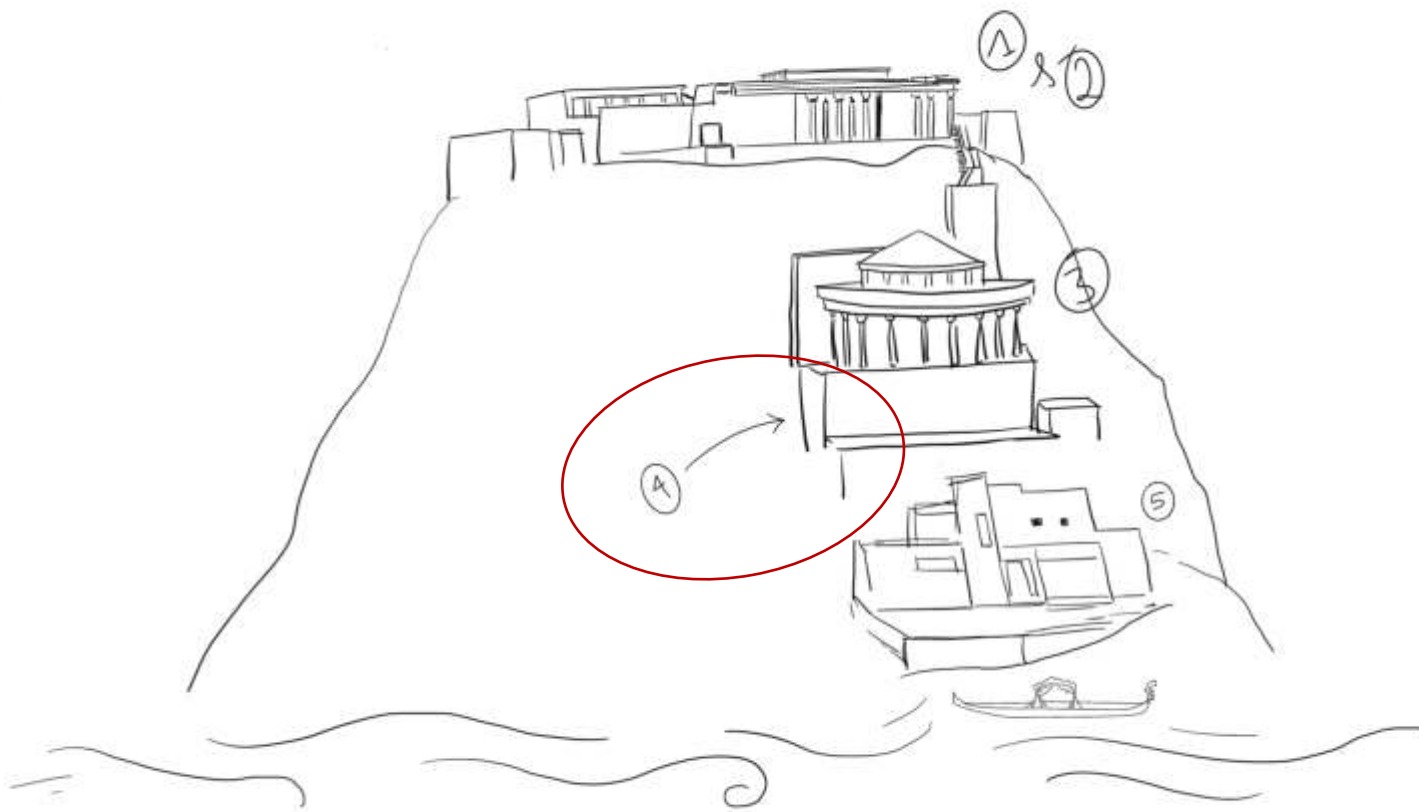

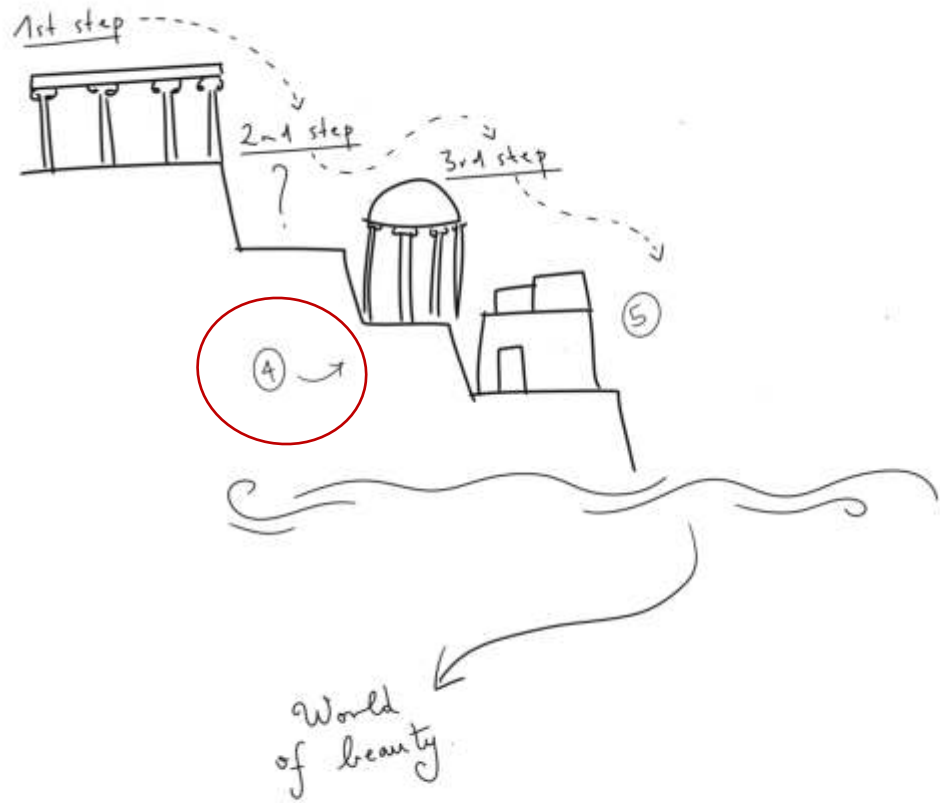

In the depths of the Versailles garden, somewhat hidden, the visitor who is willing to lose himself will discover a neo-romantic temple (18th century) with a statue of the young Eros, son of Aphrodite, at its heart. This is the temple of love, in which the stroller can abandon himself to musing and contemplation, in love with beauty, or as a lover.

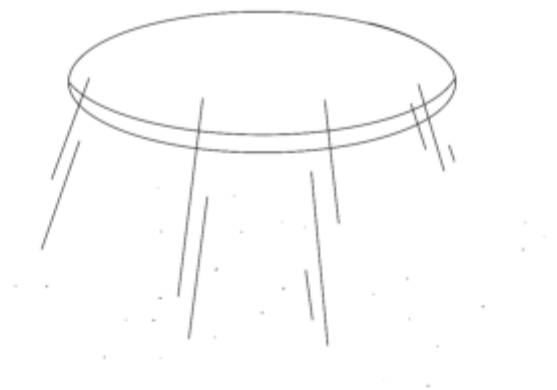

(N. B. — Marie-Antoinette could see the Temple of Love from her room in the Petit Trianon.)

4th STEP

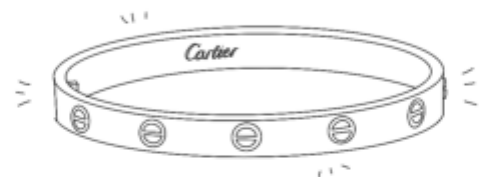

of the suspended garden

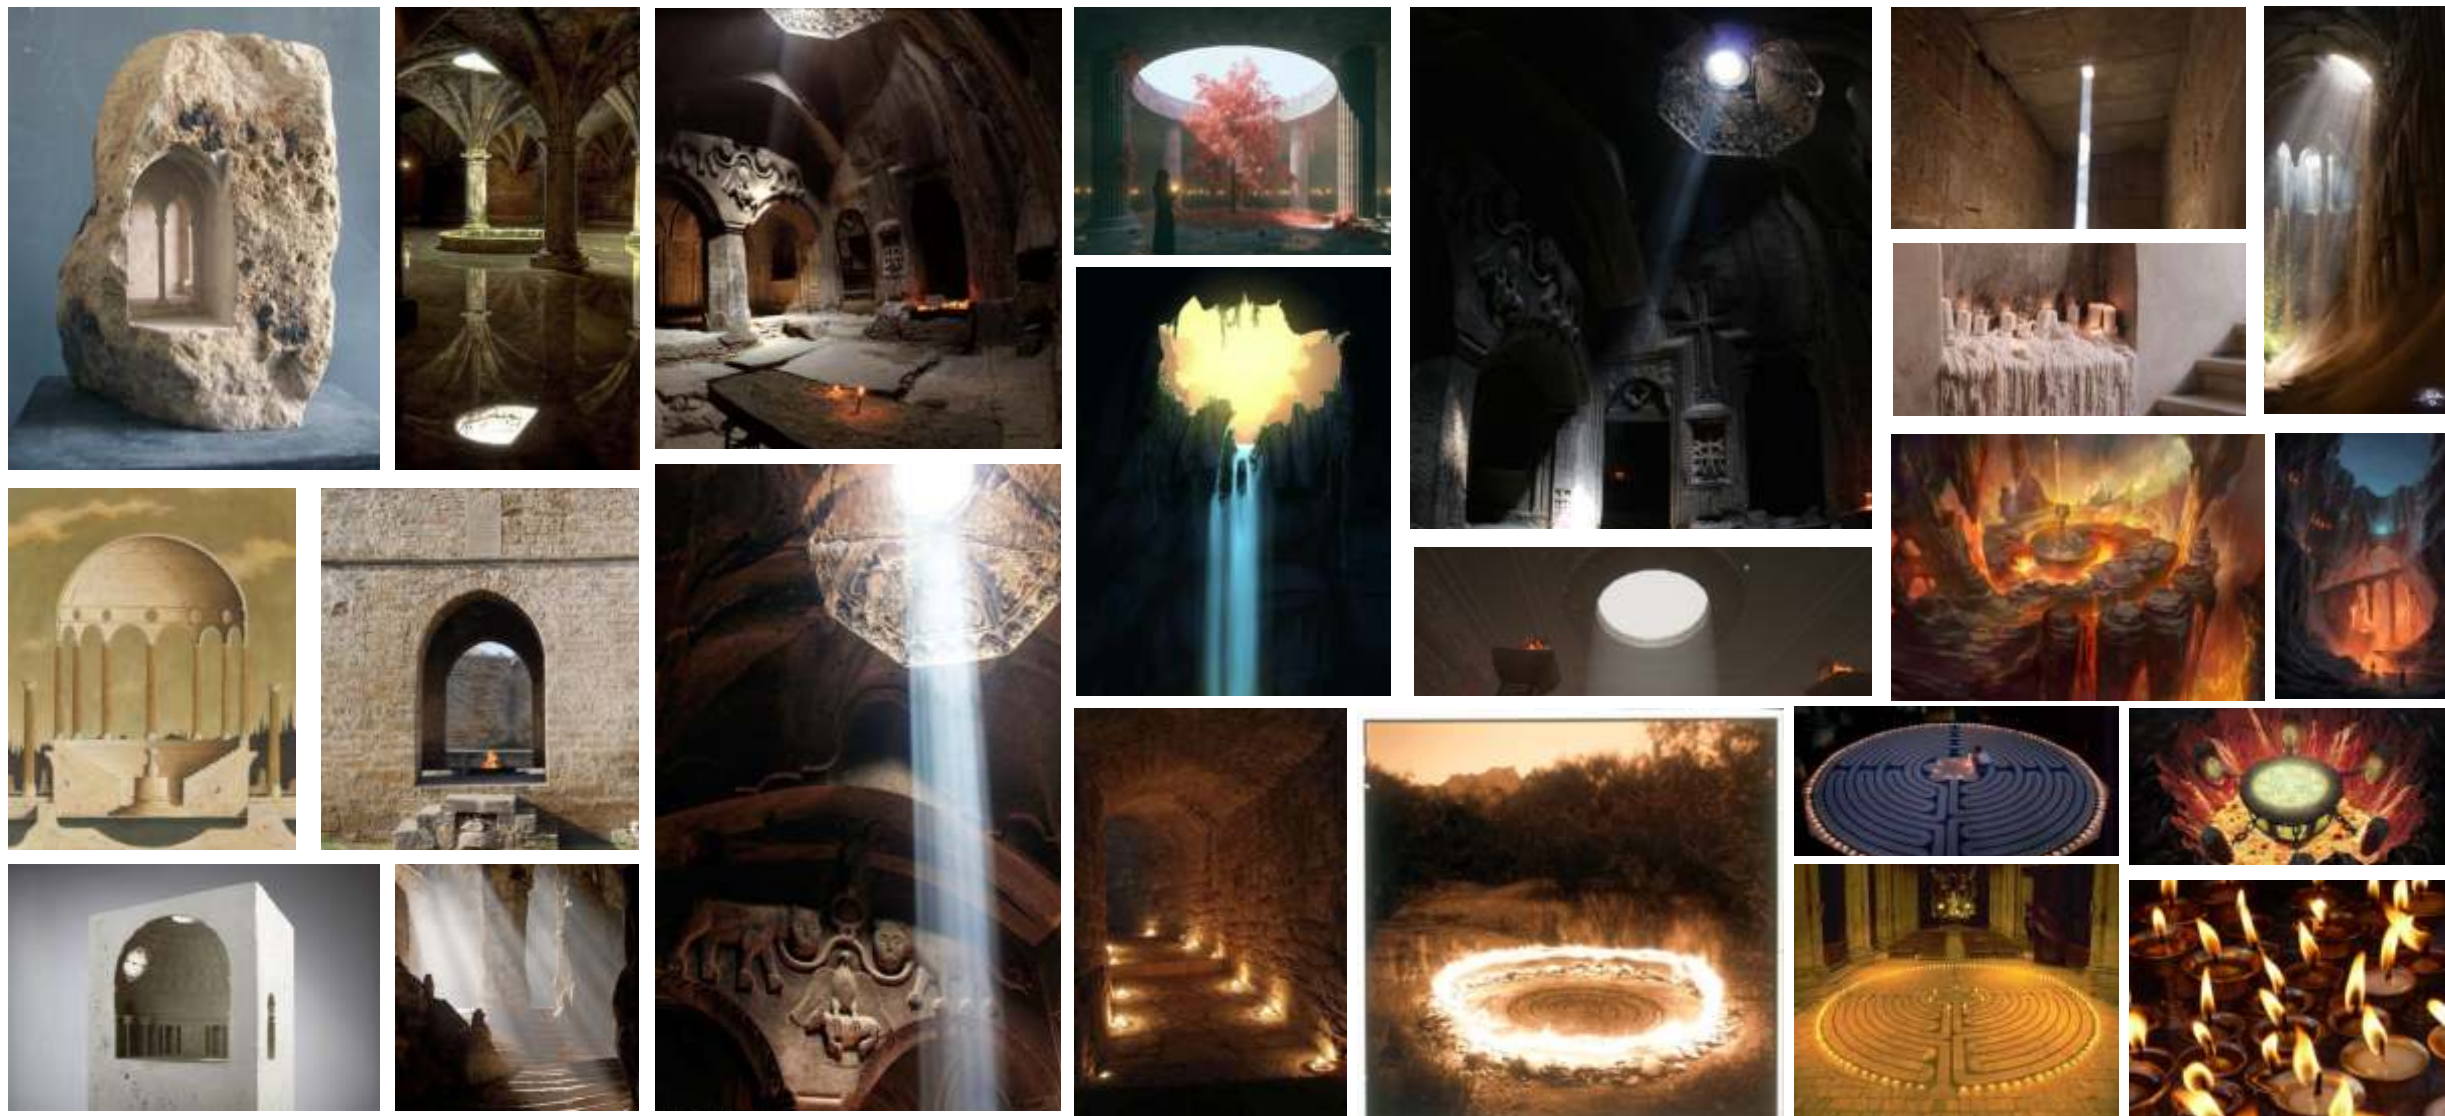

← In the ceiling of the crypt, a perfect circle is cut out and dives the player's sight — and mind — into the infinity of the sky. From there, an ethereal light source emerges.

← At the centre floats Cartier's LOVE creation, suspended in the air, which does not know the law of gravity. From it emanates the light of gold.

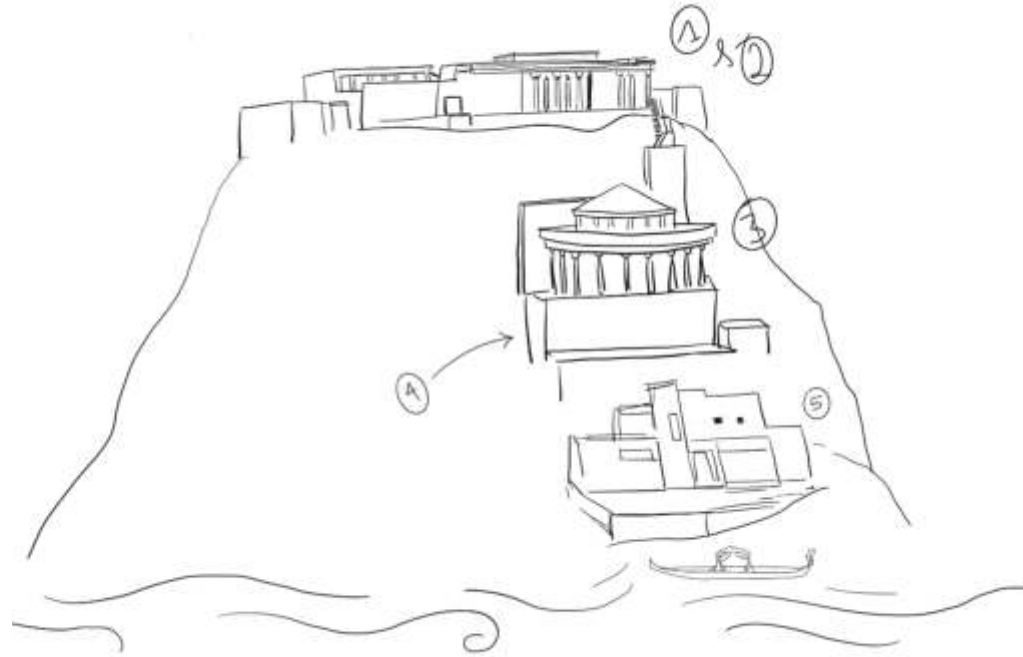

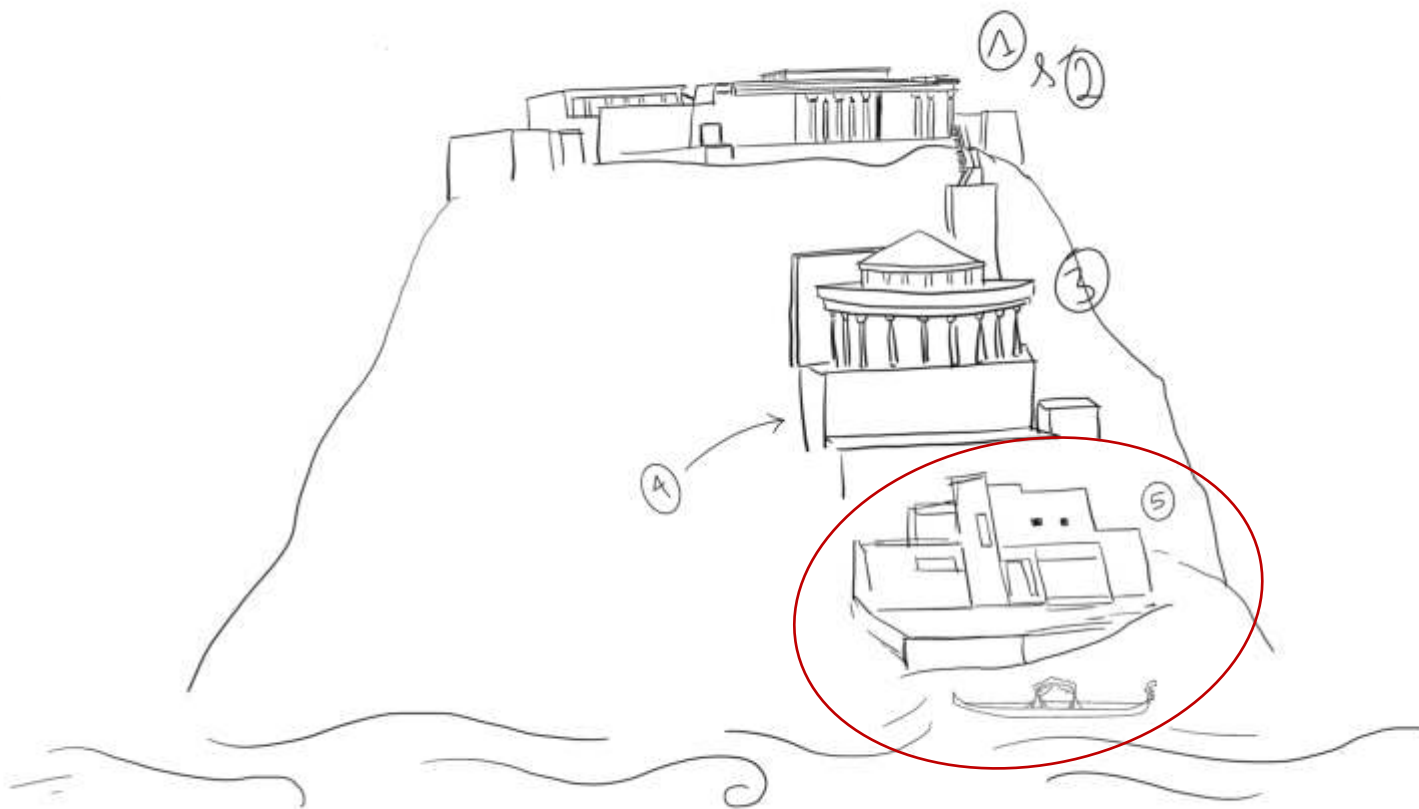

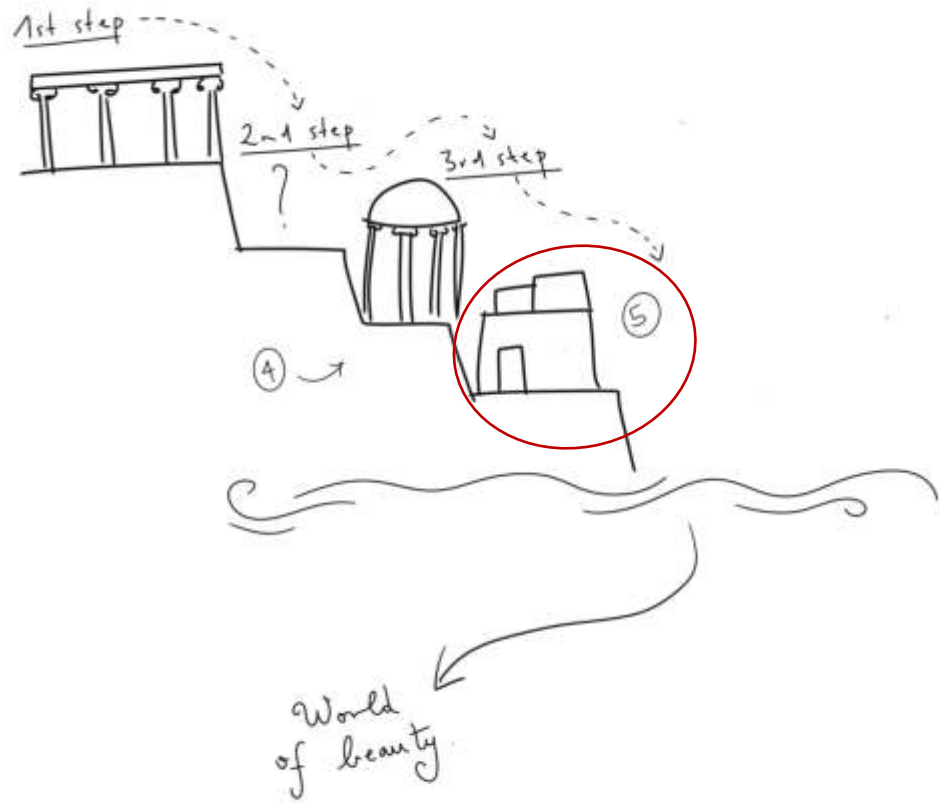

← On the ground, a circle of fire, flames slowly burning and candles piled up here and there, sparse and yet well-ordered. From there the light of the fire emanates.

PLATFORM 2

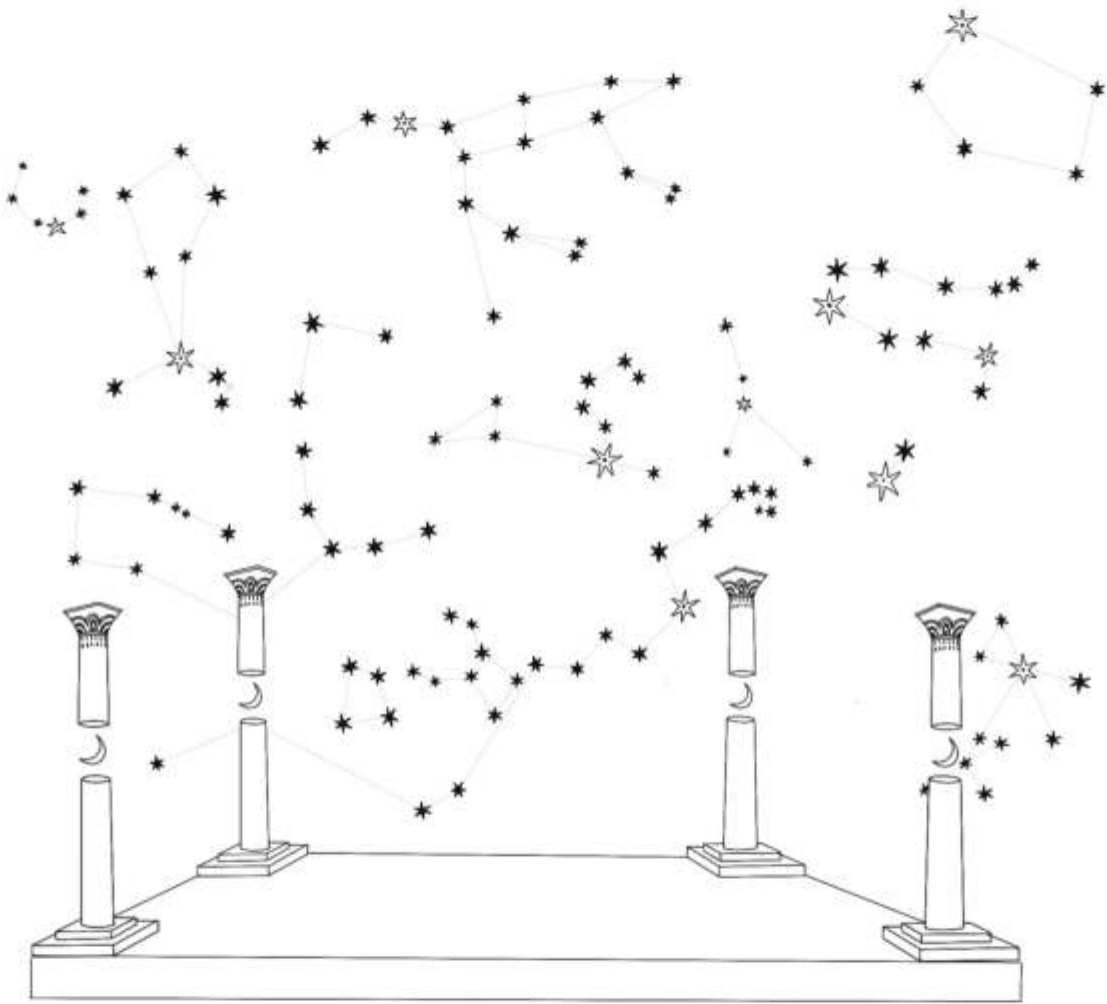

On the second platform, which offers a glimpse of the beauties no longer crafted by the hands of man, but arising from nature, the player will be able to contemplate the cosmos; more specifically, the starry sky.

SPLendor OF THE HEAVENS
In the vast reaches of the Universe modern telescopes reveal many vistas of unearthly beauty and wonder.....
REGION OF STAR CLUSTER NGC 6611
LICK OBSERVATORY

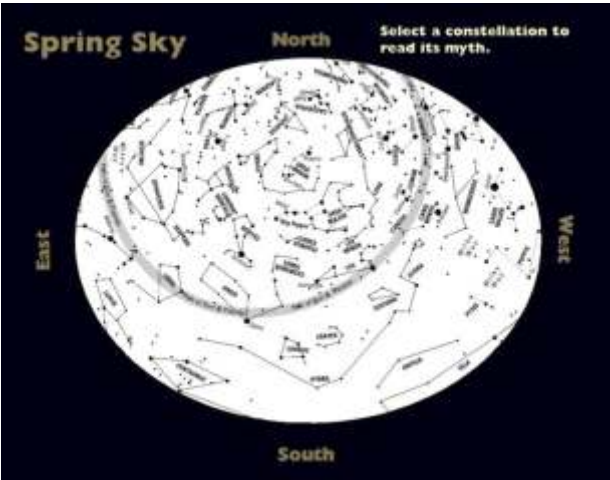

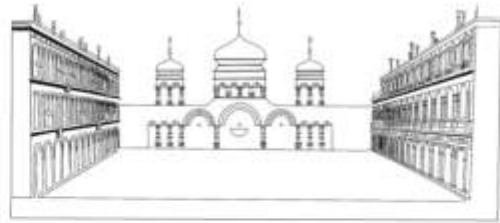

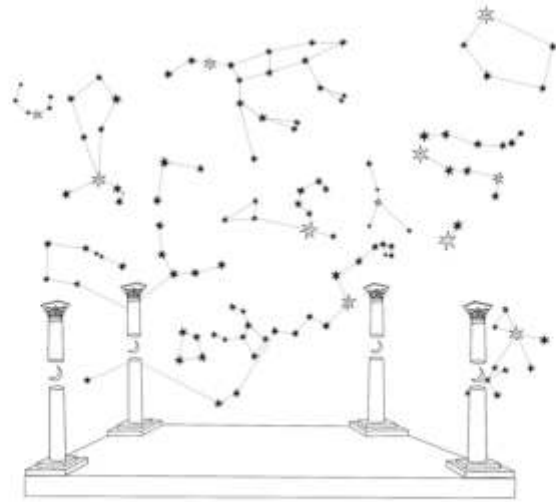

This starry sky will be that of a **spring night**, and will therefore present the constellations that it is possible to see at this time of the year, symbol of rebirth and creation.

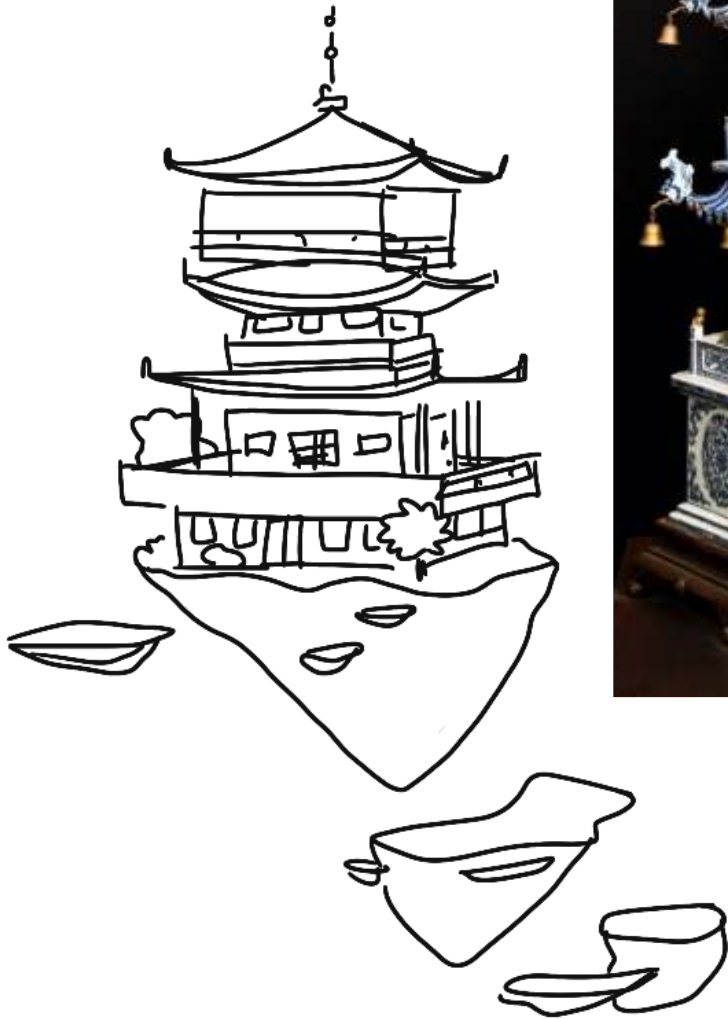

THE STRANGE CREATURES YOU CAN SEE IN THE SKY

PAGODA

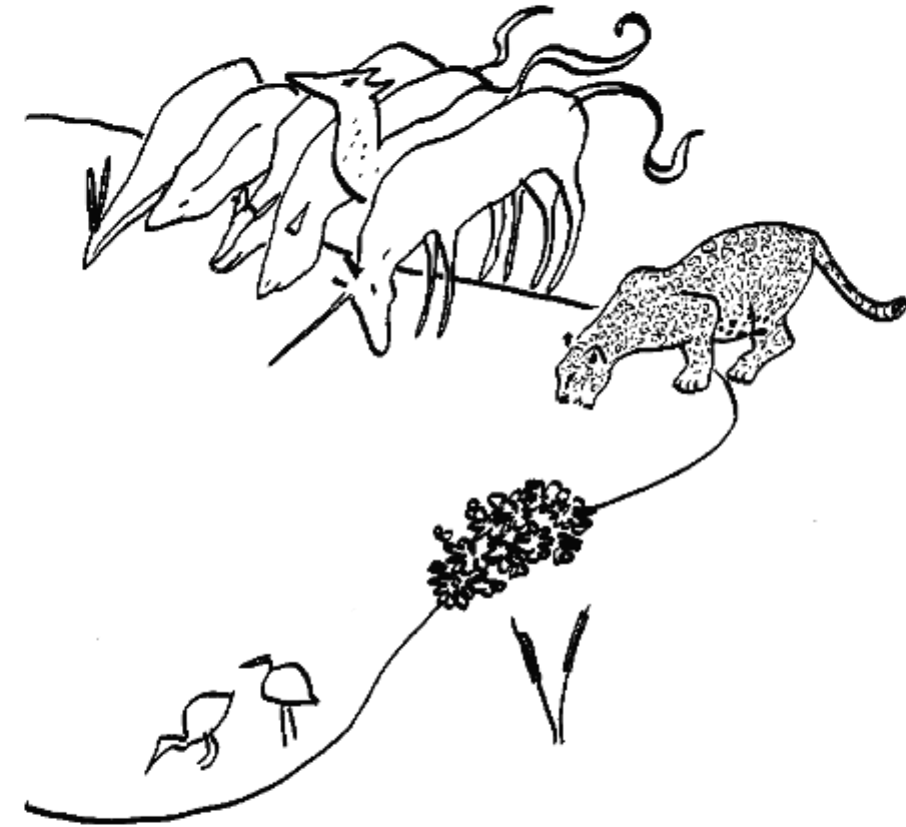

The pagoda is only accessible if an enigma (to be defined) has been solved. It is an "extra" of the course. If you succeed in reaching it, then you can explore its five floors. Each floor immerses the player in one of the five aspects of beauty described by Diotime in Plato's Symposium.

2 | **BEAUTY** : THE FLOATING GARDEN

3 | **FERTILITY** : THE ISLAND GARDEN

FERTILITY

THE GARDEN OF DELIGHTS

THE FERTILITY GARDEN IS AN ISLAND OF GENEROUS ABUNDANCE, WHERE FAUNA AND FLORA LIVE SIDE BY SIDE IN THEIR VAST INTEGRITY, IN PEACE AND FREEDOM. SIMILAR TO A JUNGLE, INSPIRED BY THE PAINTINGS OF CAI-GUO QIANG AND JHERONIMUS BOSCH, FRUITS, FLOWERS, MINERALS, ANIMALS OF ALL SPACE AND TIME FRAMES CAN BE FOUND OR HEARD IN THE DISTANCE.

IN THE CENTRE OF THIS ABUNDANT JUNGLE, WHERE BEINGS OF ALL FORMS LIVE SIDE BY SIDE, THERE IS A SPRING OF WATER FROM WHICH ANIMALS DRINK - A SCENE DERIVED FROM PRIMORDIAL MYTHS - SIDE BY SIDE. THE PLAYER CAN ENTER THE WATER, DIVE INTO IT AND, IN ITS DEPTHS, FIND THE CRYPT OF FERTILITY.

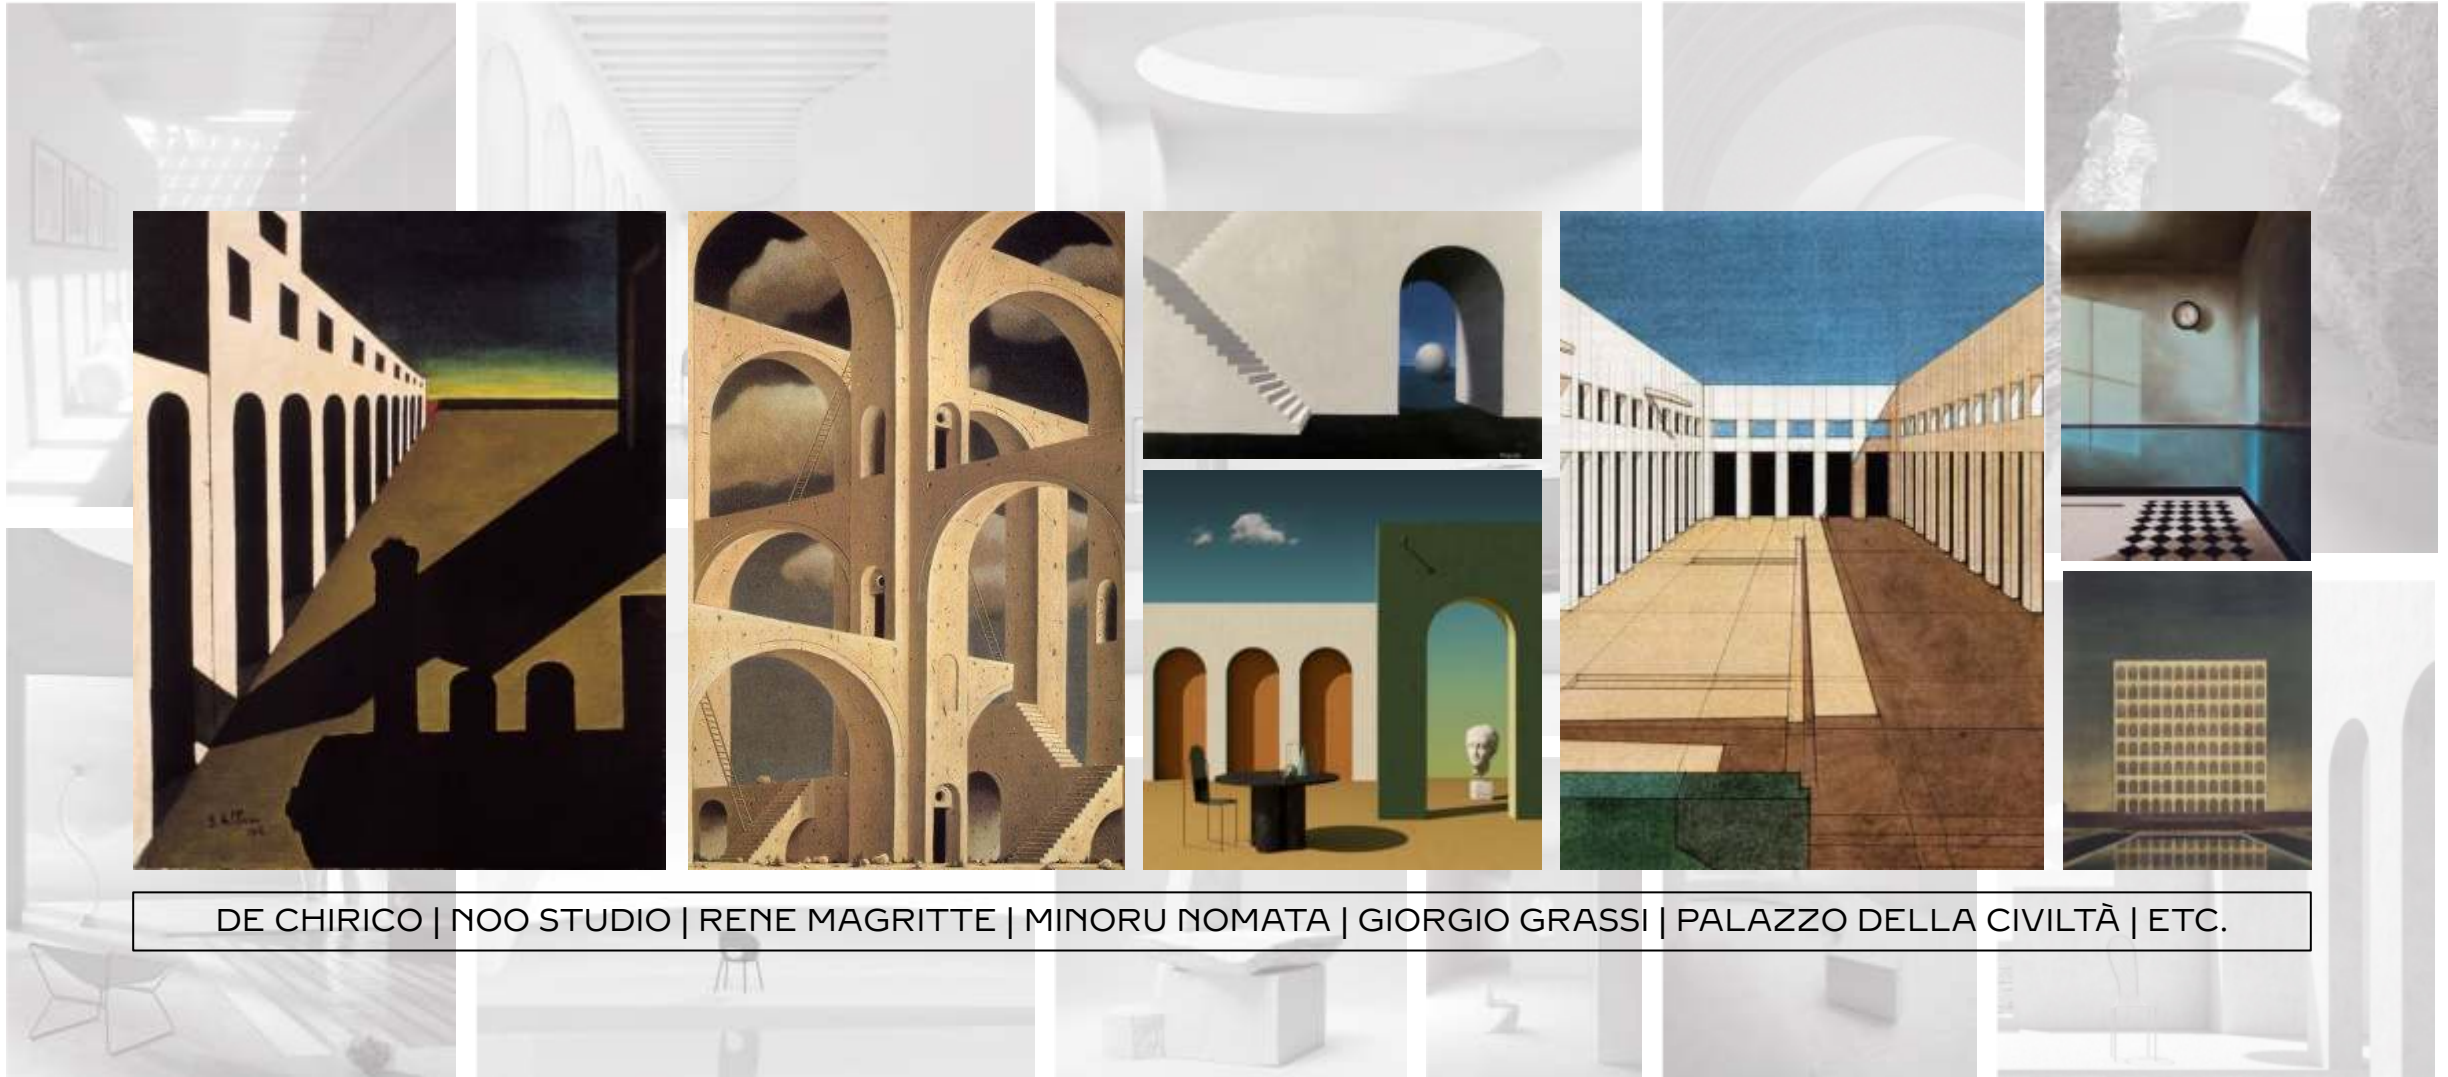

THROUGHOUT THE ISLAND, MOONS ARE FLOATING ON THE WATER, A SYMBOL OF FERTILITY AMONG THE OLDEST MYTHS.
